## PRESS RELEASE

### Province of Alberta adds Kendrik Canada as a pre-qualified vendor

**Edmonton, April 30 2008** – Alberta Education has added Kendrik Canada to its provincial list of pre-qualified vendors in the area of Multimedia and Presentation Design Services. This resource list is maintained for government bodies wishing to enter onto contracts on an “as needed” basis.

The process for becoming pre-approved in the province includes a comprehensive application process, formal qualification review, and reference checks. Kendrik Canada is very pleased to have been approved by Alberta Education for this list.

“This is possible because of our recent growth, and the fantastic people we have on our team. This is just another step we have taken towards becoming the leading full service training solution company in Canada” says Vicki Martin, President of Kendrik Canada.

#### **About Kendrik Canada**

Since 2004, Kendrik Canada has been providing complete learning solutions that produce measurable results. By managing learning and development needs, Kendrik Canada enables organizations to focus on their core business. Their clients include every major financial institution in Canada, technology providers, real estate and mortgage associations, insurance companies, and more.
